

LEADERSHIP ESSENTIALS

2-Day Corporate Training Program

OVERVIEW

This Leadership programme provides a focus for impactive leadership prioritizing what we have learnt as to the very essence of what makes leaders successful. From changing definitions through the ages (as we learnt more and more best practices), to creation and delivery of strategic intent and further encompassing the people dimension provides a clear line of sight for participants to absorb and take back to the workplace. Simply the most up to date and rigorous examination of "what works" that current and aspiring leaders can develop to match the requirements of their own (and future) roles.

WHAT YOU WILL ACHIEVE

By the end of this program, participants will be able to:

- Create strategic intent for any organisation and be able to influence alignment and delivery of that strategy.
- Recognise the importance of change facilitation and influencing skills and practice and gain confidence in their own ability to do this.
- Outline the importance of building the right talent for organisation success and learn best practice ways to do this.
- Commit to creating an engaged workforce (and necessary initiatives to do this) as a further key in progressing strategy and performance delivery.

WHAT YOU WILL LEARN

Day 1: Progress in Leadership Thought and Action

- Key capabilities required for Impactful leadership
- Strategy, Alignment & Engagement
- Leadership Strategy & Management Delivery
- Turning strategic intent into performance deliverables
- The role of Managers in business success

Day 2: The People Emphasis

- Demands of the Led
- Employer of choice
- Learning from the positive/negative
- Leading Business Impactive Approaches
- Looking forward – AI & Predictive Analytics
