

PUBLIC SPEAKING

2-Day Corporate Training Program

OVERVIEW

This intensive 2-day Public Speaking Programme is designed to equip professionals, educators, and aspiring leaders with the essential skills to speak confidently and effectively in front of any audience. Through a combination of theory, hands-on practice, and personalized feedback, participants will enhance their presentation techniques, manage stage anxiety, structure impactful speeches, and engage their listeners with authenticity and clarity.

WHAT YOU WILL ACHIEVE

By the end of this program, participants will be able to:

- Increased confidence in speaking before groups of any size
- Improved clarity and structure in speech and presentation delivery
- Mastery of body language and voice control techniques
- Ability to engage and influence diverse audiences
- Skill in handling impromptu questions and managing stage anxiety
- Personalized feedback to refine individual speaking style

WHAT YOU WILL LEARN

Day 1: Public Speaking Foundations

- Introduction to public speaking and audience analysis
- Speaking confidence and stage anxiety
- Speech structure: opening, body, conclusion
- Speech structure and audience awareness

Day 2: Advanced Delivery and Real-World Practice

- Voice, body language and storytelling
- Using visuals and storytelling for impact
- Impromptu speaking and handling Q&A
- Personal branding through speech
- Final presentations with individual feedback

METHODOLOGY

Well-balanced theoretical and practical methodology, which includes interactive discussions, case studies, interactive activities/exercises and assignments to understand the concepts and their applicability
